

White City Saskatchewan

\$499,900

SASK • MLS®

This south facing fully finished bungalow is located in White City and is backing green space. The open concept main floor is flooded with natural light with a well thought out design. The kitchen features an abundance of white cabinets, a dark island, quartz counter tops, a tile backsplash, and a large walk-in pantry. The living room has a gas fireplace with a stone surround and it is from the dining room that you have garden door access to the rear yard. There are three bedrooms on the main level with two full bathrooms. The master bedroom has a walk-in closet and a 4 piece ensuite. Completing the main floor is the laundry/mudroom with upper cabinets, a sink, and a shoe rack. The basement has been fully developed. The family room and games room, with a bar area, is the perfect place to entertain or spend time with the family. You will also find 2 additional bedrooms, a 4 piece bathroom, and a den/storage room. The backyard is fully fenced and the real bonus is that there are no backyard neighbours. There is a tired deck with a built in shed below. The double attached garage is insulated, boarded, and heated. You will find plenty of room for RV and boat parking at the side of the house. The fridge, stove, washer, dryer, electric fireplace in the basement, and window treatments are included. This listing must be seen to be appreciated, call for your viewing today.
