Welcome to this 2024-built home by Alquinn Homes, offering modern, functional living space. Located on a quiet street and backing on a walking path, this property combines quality construction with thoughtful upgrades. The main floor features an open-concept layout with large windows, upgraded flooring, and sleek modern finishes. The kitchen flows into the dining and living areas—ideal for both everyday living and entertaining. A brand-new deck off the back expands your outdoor living space, and the double attached garage comes complete with a heater for added comfort. Upstairs you'll find a spacious primary suite with walk-in closet and a well-designed ensuite featuring a floating tub and separate shower. Two more good-sized bedrooms, a full bathroom, upper-floor laundry, and a bonus room over the garage provide plenty of space for the whole family. The basement is unfinished and ready for your future plans—whether that's a home gym, rec room, or additional bedrooms. (id:6769)
