

## 1704 Pottery Road Vernon British Columbia

East Hill

# \$836,000

If you're looking for a move-in-ready family home in one of Vernon's top neighbourhoods, this is it. The house has been completely transformed since 2021 with smart thoughtful updates throughout, including a newer furnace, hot water tank, and appliances, so you won't have to worry about maintenance for a long time. The main floor is bright, open, and built for entertaining and convenient living. The kitchen stands out, featuring a large quartz island that naturally becomes the gathering spot, flowing with the living room boasting vaulted ceilings. Down the hall, the primary bedroom has its own spacious ensuite and sliding doors that open right onto a great concrete deck. Two more generous size bedrooms finish off this level. Downstairs, there's a big rec room and a fourth bedroom, perfect for teenage space, guests, or a quiet home office. Outside, the backyard is flat, private, and fully usable. There's even a turf training track for workouts, with plenty of grass left over for kids or dogs. Plus, you can leave the car behind for the school run; both Hillview Elementary and Vernon Secondary are just a short walk away. (id:6769)
