Save Thousands buying from the developer and waiting 6 months for a home and buy a new home already built. Full garage included! Welcome to Unit 171 at Deer Meadows Estates, a beautifully crafted, never-occupied home designed for the ultimate Okanagan lifestyle. Thoughtfully customized and newly constructed, this home stands out with an extended living space, including a two-foot bump-out from the standard layout for added room and comfort. Inside, enjoy high ceilings in living areas, and bright LED pot lighting throughout, accentuated by pendant lighting over the kitchen island. The kitchen itself is a chef's delight, featuring Whirlpool stainless steel appliances, a stylish subway tile backsplash, and soft-close cabinetry, all set against durable, hardwood-style luxury vinyl tile flooring. This home also boasts a finished garage and an extended 25-foot driveway, offering ample space for parking and storage. With a gas hot water tank and a premium Culligan Medallist Plus iron-ox5tm water filtration system, you can count on clean, fresh water every day. Quick possession is available, so there's no waiting for construction—move in and start living the Okanagan dream today in Unit 171 at Deer Meadows Estates. (id:6769)
