

1710 Shayler Place Kelowna British Columbia

McKinley Landing

\$4,998,000

A secluded masterpiece above Okanagan Lake. Perched on 7.82 acres in prestigious McKinley Landing, 1710 Shayler Place offers unmatched privacy and sweeping 180° lake, valley, and mountain views from a spectacular mountaintop setting. Expertly positioned on the hillside, this ICF-built residence sits above all neighbouring homes--completely hidden from view with no rooftops or road noise. A gated entry leads to a winding driveway bordered by stone walls and mature landscaping, unveiling a timeless timber-frame home. Vaulted ceilings, exposed beams, and walls of windows flood the interior with natural light and frame stunning vistas. The chef's kitchen boasts a 6-burner gas range, dual pantries, and a large island, flowing to the dining area, great room, and upper deck with built-in BBQ and fire table. The primary suite is a sanctuary with a double-sided fireplace, spa-inspired ensuite, walk-in with built-ins, and private laundry. The lower level impresses with a whiskey bar, wine room, theatre, rec room, gym, and three more beds--all with lake views and storage. Outside, enjoy a saltwater pool, tiled pool bath, covered lounge, and outdoor kitchen. A detached workshop with 2-pce bath, Control4 automation, solar panels, and a waterfall/firepit complete this extraordinary estate. (id:6769)
