Okanagan Falls

\$850,000

A rare opportunity to own a spacious family home on a 0.46 acre lot with General Industrial zoning, opening the door to serious flexibility and potential future income options. This 4 bedroom + den, 4 bathroom home offers a thoughtful layout with over 1400 sq/ft per floor, providing room for growing families, multi-generational living, or those wanting space to work and operate from home. The main level features 3 bedrooms, two separate living rooms, and the bonus of east and west facing decks, giving you sun and shade throughout the day. Downstairs, you'll find a 1-bedroom in-law suite, perfect for extended family, guests, or extra income potential. Outside, enjoy a large front yard and a fully fenced backyard, complete with an above-ground swimming pool and pergola, a perfect setup for summer entertaining and family fun. Additional highlights include a 2 car garage plus a home gym space with a sauna included in the sale, making this property an incredible lifestyle package with long-term versatility. A unique property with space, comfort, and zoning that sets it apart -- book your showing and explore the possibilities. (id:6769)
