

1724 Treffry Place Summerland British Columbia

Trout Creek

\$1,148,000

Discover the elegance of this newly constructed home boasting six bedrooms and four baths, nestled in the sought-after Trout Creek area. This exquisite residence offers a legal two-bedroom suite, ideal for generating additional income or accommodating family. Revel in luxurious touches, including lofty 9-foot ceilings, sophisticated window dressings, a central vacuum system, a natural gas hookup for your BBQ, on-demand hot water, and a comprehensive security system. Admire the serene mountain vistas and lush orchard panoramas from the expansive balconies. The property is equipped with dual electric vehicle charging stations and is pre-wired for solar power. Situated conveniently near schools, parks, and pristine beaches, this home is a gem not to be overlooked. Additionally, it meets the criteria for new short-term rental bylaws. For further information, please reach out to the listing agent. Note: All measurements are estimated and should be verified by the purchaser if deemed necessary. (id:6769)
