

173 Summer Wood Drive Kelowna British Columbia

Wilden

\$1,998,000

Experience the pinnacle of Kelowna living in the sought-after Wilden neighbourhood of Kelowna. This never-lived-in stunning 5-bedroom plus den, 4-bathroom, PLUS one bedroom, one bathroom suite home spans over 5,000 square feet, offering an unparalleled living experience. Not only is there space for the entire family, there is a legal one-bedroom suite with completely separate and private access. Constructed by award-winning home builder Fawdry Homes with high-quality materials, including an ICF basement foundation, and designed with energy efficiency in mind, this home ensures comfort for you and your entire family. This home is offered with a new home warranty, giving you peace of mind. The main living space features soaring ceilings, fireplace feature, and is open to the dining room and well-equipped kitchen. You'll enjoy thoughtful touches throughout, like a walk through butlers pantry, mud room, upper floor laundry room, and timeless modern finishings. Additional amenities include a THREE-CAR garage, media room, and close proximity to hiking trails, parks, and Kelowna's amenities. Contact us today to schedule a private viewing. (id:6769)
