

1738 Smithson Drive Kelowna British Columbia

Glenmore

\$799,900

Step into this ultra funky, retro-style family home in Glenmore! Decorated to take you back in time, the main level feature a cool kitchen with checkered flooring, tile black splash, and new vintage looking appliances. The upper level also has a bright living room with wood fireplace, movie projector and screen, spacious dining area, as well as 3 bedrooms and one and a half bathrooms. Off the dining room is access to the covered patio, and access to the back yard. The lower level of the house has a huge rec room, complete with wet bar, a gas fireplace, as well as a den area/flex space, 2 more bedrooms and another bathroom. You will also appreciate some of the recent mechanical updates too - new roof (2023) and AC (2022), furnace (2018), and much of the plumbing and electrical in the home have also been replaced. Situated on a quiet street, centrally located to Glenmore Elementary School, Dr. Knox Middle school, several parks, and only a 10-15 minute drive to Orchard Park Mall, downtown Kelowna and Okanagan Lake. Suite potential! (id:6769)
