

174 Dafoe Place Penticton British Columbia

Wiltse/Valleyview

\$850,000

Here is an ideal family home in the Wiltse Valley View area. This 3Bed, 3Bath split-level home has a great floor plan that offers spacious rooms and plenty of spaces for hobbies etc. There are both formal and informal eating spaces. A family room off the kitchen features a lovely gas fireplace. The primary bedroom has a good-sized walk-in closet, an ensuite and sliding door to the back yard. You will enjoy the quiet, private yard, the covered deck with gas barbecue hookup and other patio areas. There is a fantastic space for a hot tub if you desire one. There are lovely mountain views from the front yard and out the large picture window in the living room. It is a well-built custom home built in 1985. The furnace and heat pump were replaced approx. 4 years ago. Located on a quiet Cul de Sac only minutes to shopping, schools and recreation. There is a double garage and extra outside parking. The gorgeous Cherry Wood furniture can be purchased with the home if desired. Measurements taken from the iGuide. (id:6769)
