

1740 5TH Avenue Prince George British Columbia
\$569,900

Thoughtfully designed and truly low-maintenance, this turn-key home with a legal suite offers rare flexibility in the well-established Crescents. With so little upkeep, it's ideal for an investment property, a multigenerational family, or anyone wanting a comfortable ground-level space for aging parents. Upstairs features a spacious open-concept layout with 2 bedrooms, a modern kitchen, dining and living areas, and a covered deck for year-round enjoyment. The primary bedroom includes a private ensuite and walk-in closet. Downstairs, a bright 1-bedroom legal suite at ground level has its own separate laundry -- perfect for extended family or rental income. A double garage sits at the rear, and the low-maintenance landscaping makes for truly easy living. (id:6769)
