

1741 Keloka Drive West Kelowna British Columbia

West Kelowna Estates

\$1,032,000

If you're moving up for more room--or you're done with the urban crush--this property gives you space & privacy without leaving the conveniences of West Kelowna. Set on a quiet, low-traffic street, the home is wrapped in mature trees that keep the yard and patios cooler in summer. Landscaping is immaculate and low-maintenance with tiered stonework, usable lawn, and multiple outdoor sitting areas. The double garage and broad driveway handle family vehicles and guests with ease. Inside you get 3 bedrooms and 3 bathrooms today, plus an easy 4th bedroom option in the lower level (already a large family/rec area with good natural light). The main floor offers a practical U-shaped kitchen, bright dining, and a living room with vaulted wood ceiling and big windows--simple, functional spaces that work for everyday family life. Storage is honest-to-goodness useful and real - the large storage room could double up as a workshop or home gym. Commuting is straightforward. From Kelowna, take Westside Road off Hwy 97 just past the Bennett Bridge and you're home without grinding through West Kelowna's main lights. Quick in, quick out. Weekends are covered. You're minutes to beaches, parks, hiking/biking trails, golf, and the Westside Wine Trail--the lifestyle West Kelowna is known for - the Bottom Line? This is a clean, well-kept family home with real usability inside and out, room to grow...
