Glenmore

\$2,249,000

Tucked away on a quiet cul-de-sac in Kelowna's prestigious Glenmore neighbourhood, this Modern Mediterranean masterpiece was reimagined in 2023 by an award-winning design team. Offering over 5,000 sq ft, it blends refined elegance with multigenerational functionality. The grand living room features soaring 18-foot vaulted ceilings, wide-plank white oak flooring, wood beams, graceful archways, and timeless European-inspired finishes. The bespoke chef's kitchen is a showpiece with a JennAir integrated refrigerator seamlessly built into custom white oak cabinetry, six-burner Wolf gas range, quartz countertops and backsplash, plus a spacious walk-in pantry. A main floor office with custom built-ins overlooks the private backyard. Upstairs, 4 generous beds include a luxurious primary retreat with private balcony, spa-inspired ensuite with soaker tub, walk-in shower, and walk-in closet. The resort-style backyard features a new privacy fence, saltwater pool, hot tub, stamped concrete patio, gas fire pit, lush landscaping, and a basketball court that converts to a winter skating rink. A heated triple garage and RV parking, complete the package. The thoughtfully updated walkout basement features restored Italian tile, media room, gym, and a flexible 1 or 2 bed suite ideal for guests, family, or income potential. Integrated Sonos sound throughout. Breathtaking mountain and sunset view...
