Kelowna South

**\$859,000**

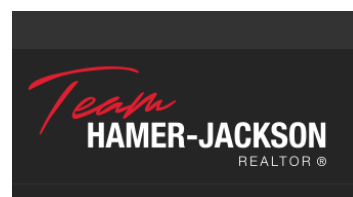

Tucked away on a spacious 0.347-acre lot just minutes from the heart of Kelowna, this 5-bedroom, 2-bathroom home is a story waiting to be rewritten. With a new roof overhead and new lower windows already in place, the groundwork is laid -- all it needs is your vision. Step inside the 1,236 sq ft main floor and picture the transformation. The solid bones offer a strong foundation, while the 1,113 sq ft basement holds endless potential for added living space, a suite, or creative flex areas. Outside, a 42x16' detached garage is perfect for hobbies, storage, or even a workshop. On municipal sewer and well water, this property blends city convenience with rural charm. Whether you're an investor looking for your next project or a homeowner ready to build equity through renovations, this home is a golden opportunity. Just 4 minutes from Okanagan College (KLO campus), 6 minutes to Raymer Elementary, and 10 minutes from downtown -- this location can't be beat. Bring your tools, your dreams, and a little elbow grease -- this is the one worth the work. (id:6769)
