The BEST VALUE at Hunters Hill just got even better. This brand-new 3-bedroom + den home checks a lot of boxes, and then some. Lake. Valley. Mountain. The views are everywhere. Inside, oversized windows fill the main level with natural light, while warm wood tones, clean lines and a designer-inspired palette create a modern, elevated feel. The kitchen is the heart of the home, with a generous island, premium appliances and plenty of space to gather. The primary suite feels like a retreat, with a spacious ensuite and walk-in closet. Downstairs, the bright walkout level gives you a huge rec room, built-in wet bar, covered patio and a massive backyard with room to make it your own. And yes, there's a triple-car garage, additional driveway parking and covered deck. Front landscaping is complete, and rear landscaping can be built into the deal at the buyer's request! Big views. Brand new. You'll love life at Hunters Hill. *GST applicable. Some interior photos have been virtually staged. (id:6769)
