

1762 Gagnon Place Kelowna British Columbia

Kelowna South

\$879,900

Charming 3-Bedroom Home with Development Potential in Kelowna's Downtown Corridor! Discover this delightful 3-bedroom, 1-bathroom home nestled on a level lot in the heart of Kelowna's downtown corridor. Ideally located, close to a vibrant array of restaurants, coffee shops, shopping, and amenities, minutes to Knox Mountain and waterfront. Inside, the home features beautiful hardwood floors, a newer loft addition, and a cozy fireplace, exuding warmth and character. Neutral color palette and numerous updates throughout make it move-in ready, while a skylight fills the space with natural light. Enjoy ample parking and a spacious yard, perfect for outdoor gatherings or future landscaping projects. Zoned MF1, this property offers exciting development opportunities—whether you choose to develop on your own or consider a land assembly. With its prime location and potential, this home is not only a wonderful place to live but also a fantastic holding property. Don't miss your chance to invest in this charming home with endless possibilities!
