

1763 Fawn Run Drive Kelowna British Columbia

Upper Mission

\$2,349,000

This fantastic Upper Mission home offers a ton of wonderful features and updates, including pool, hot tub, legal suite, and sweeping lake and city views. Pride of ownership shines through with 4,479 sqft of interior living space, 6 bedrooms and 5 bathrooms (incl. 2 bedroom legal suite), and great extras like a large home office, built in sauna, and a custom garage. The main level features soaring ceilings to maximize your views and natural light, with a great room boasting a floor-to-ceiling gas fireplace, and access to the chef's kitchen. Featuring an 11' oversized island, high end appliances including induction cooktop, wall ovens, full beverage centre, pot filler, and a generous walk-in pantry. The mudroom has more custom cabinetry, providing warmth and practicality. The outdoor living and entertaining areas are stunning, with a 25'x14' saltwater pool with auto-cover, luxurious Arctic Spa hot tub, and mature landscaping, all framing the beautiful views. The yard space has been extended to maximize usable space, and is fully fenced - perfect for the family and pets! Upstairs the primary ensuite will impress, with a stunning ensuite bathroom with dual vanities, makeup counter, glass shower, soaker tub, and large walk-in closet with extensive cabinetry. Two additional bedrooms and a large main bathroom complete the upper level. Downstairs is a cozy family/media room, wi...
