

1766 Garner Road Kelowna British Columbia

Black Mountain

\$1,195,000

A rare health-conscious lifestyle property in a serene, natural setting. This beautifully renovated 4-bedroom, 3-bathroom walk-out rancher sits on a private 0.4-acre lot with a peaceful creek along the backyard, surrounded by forest and orchards. Extensively upgraded over 10 years, this home was thoughtfully designed for wellness, comfort, safety and quality. Features include non-toxic finishes with merino wool carpet in the primary bedroom, hard-wired internet, minimized EMF exposures throughout, and a whole-home IQAir air purification system—ideal for allergy-sensitive living and Okanagan fire season air quality. There is also the security of reinforced 3M basement windows, and a cozy home heating pellet stove. Enjoy your own wellness retreat with a sauna and 5-person hot tub, plus on the lower level offering a concrete wine room, cold storage, and secure bunker space. The property also offers ample garden space, RV hookup with gated access, and extensive paved parking with room to build a triple garage or workshop. Excellent income potential with suitability for short-term rental or B&B, located just 18 minutes to the Big White Ski Resort turnoff. A truly unique home blending lifestyle, health, and opportunity—book your showing to experience it firsthand. (id:6769)
