Glenmore

\$1,049,900

A perfect home in the perfect neighbourhood is what this very rare Glenmore opportunity is all about. This is the kind of property you don't come across often: a charming two-storey 3,600sqft 1946 built home with amazing street appeal and thoughtful updates. This home features 3 bed's and 4 bath's, including a private primary suite that occupies the entire 2nd story. Two additional bedrooms are located on the main level, offering flexibility for family living, guest space, or a dedicated office. The roof is one year old and the rest of the home is mint. The finished lower level adds nearly 1,500 sq.ft. of bonus space with a separate entrance so it is suitable. You'll also find a separate workshop/hobby room. Outside, the property feels like an oasis: mature landscaping, garden areas, a large deck and patio, garden shed, water feature and room for an RV.
