

178 Sendero Crescent Penticton British Columbia

Columbia/Duncan

\$1,095,000

Built in 2021, this 4 bed 3 bath rancher with full basement is designed for main-floor living. Bright open concept living/dining room with gas fireplace, the kitchen has stainless steel appliances, huge island, and a large pantry. Level walkout to the fully fenced backyard with a covered patio overlooking parkland with a trail down to the entrance to Sendero. The master suite has a 5pc ensuite, walk-in closet and full laundry room just steps away. Downstairs there are three more bedrooms (one could make a good games room), huge rec room, and another full bathroom. The garage fits a Ford F150! (id:6769)
