

## 1788 WILLOWBROOK Road Oliver British Columbia

Oliver Rural

# \$2,599,000

Ten acres in the heart of South Okanagan wine country - a property that genuinely earns the word estate. The custom Santa Fe-inspired home spans 3,300 sq ft across two levels, with 3 bedrooms, 3 bathrooms, and details you don't come across often - imported Mexican tile, bamboo flooring, 10' ceilings, and a chef's kitchen anchored by a striking Bubinga wood island sourced from South Africa. Granite counters, premium appliances, and a stained-glass walk-in pantry complete the space. A stone fireplace commands the main living area, and the primary suite delivers with a clawfoot tub and steam shower ensuite. An oversized double garage and powder room complete the main level. Outside, the property shifts gears. Saltwater pool with a covered outdoor kitchen with reclaimed timber beams and granite counters, firepit, and putting green. The 29'x15' pool house offers a Murphy bed, 3-piece bath, and built-in cabinetry - ideal for guests or a studio. A heated workshop sits below. Anchoring the working side: a 36' x 50' heated outbuilding with 16' ceilings, 2-piece bath, and Sani-dump, plus greenhouse, garden, and a 14'x66' two-bed, two-bath mobile home for guests, caretaker, or rental income. Family estate, vineyard, equestrian retreat - The bones are here. The vision is yours. Duplicate Listing MLS10383330. Total sq.ft. calculations are based on the exterior dimensions of the building ...
