Are you looking for executive townhome living steps from the clubhouse of one of Canada's best golf courses? Are you looking for a low-maintenance, lock-and-leave property? Are you looking for a sense of community? Imagine morning coffee overlooking the greens and then strolling across the street to the rec centre and working out in the gym. You will be all prepped for a round of golf later in the day, followed by happy hour with the neighbours who went hiking the local trails. Maybe you have dinner too? You can finish up the day by relaxing in your own hot tub. This is a truly beautiful home offering you the lifestyle you deserve at a price point that leaves you cash to spare! A modern, well-laid-out property is very functional and in like-new condition. It's a house you will be proud to call home. Many residents of this community do not golf, they just love the safety and serenity of a development so close to the airport and town that feels as if you were nestled in nature, away from it all. Whether it is the value, the golf, the sense of community, or natural beauty that brings you to Tower Ranch, you are going to want to stay. This is the home & lifestyle YOU deserve! (id:6769)
