This expansive family home or entertainer's paradise is ready for you to move-in with updates throughout as well as meticulous craftsman-style accents & fine detail. This two-story masterpiece boasts 6 bed, 4 baths, a fully finished basement with own entrance providing in-law or suite potential, ample open space/rec room & a theatre room. The open concept living room with an 18' ceiling, gas fireplace & endless natural light through the oversized windows/fold-out doors seamlessly connects the renovated kitchen & dining area. Custom cabinetry, premium appliances, a large island, fold-out windows & a walk-through pantry complete this chef's dream kitchen. With a private office & a library completing the main level, no detail has been overlooked. Outside you will find a very private fenced yard with an in-ground saltwater pool, visually appealing interlocking & landscaping, a sport-court & a flat lawn area great for kids or pets. The over-sized double garage has an EV charger plug, ample storage space & a workshop/additional storage area. Recently painted exterior & added solar system on the roof ensure this home will remain hassle-free and economical for years to come. You have to see this home to appreciate it! (id:6769)
