

Whitehorse South Yukon

\$279,000

Tucked into .87 acres in Tagish, this is the kind of property that rewards imagination. The lot is anchored by an existing cabin that, from the outside, presents as solid and well-built, a structure with real character and the bones to become something special. Picture it restored into a cozy retreat, or use the site as the foundation for your dream Yukon retreat. (id:6769)
