

460 Nicola Street 1806 Kamloops British Columbia

South Kamloops

\$859,900

Experience elevated living from the 18th floor, the highest standard residential level before the exclusive Canopy Collection. This move-in ready southwest-facing residence showcases breathtaking views of Peterson Creek, the surrounding mountains, and the city skyline through its stunning curved window wall. Flooded with natural light, the open-concept layout creates an exceptional sense of space. Finished in the sophisticated Metro colour palette, this home blends sleek contemporary styling with timeless finishes. The expansive 217 sq. ft. covered balcony extends your living space, perfect for entertaining, relaxing, or enjoying Kamloops' famous sunshine and unforgettable sunsets. Located in the heart of downtown, City Gardens offers walkable access to Royal Inland Hospital, shopping, restaurants, parks, schools, and transit. Residents enjoy premium amenities including a fitness centre, social lounge, a 22nd-floor library and gathering space, secure bike storage, a bike wash and repair station, a dog wash station, an on-site dog park, and a beautifully designed outdoor common space coming soon. Built with concrete construction, Trillium delivers quality, comfort, and modern urban living. One secure underground parking stall is included, long-term rentals are permitted, and two pets are welcome (up to 50 lbs or 22" at the withers). This home also benefits from the Revitaliz...
