

## 181 McPherson Crescent Penticton British Columbia

Main North

# \$730,000

Perfectly positioned for family living, this 1,900 sq. ft. four-bedroom home in a desirable Penticton neighborhood offers the kind of everyday convenience that quickly becomes essential. The home features a fully renovated basement with suite potential and a separate entrance, ready for your ideas--whether that's extended family, guests, or added income. Situated on a low-traffic, fenced corner lot, the property offers thoughtful landscaping designed for both comfort and connection. Inside, the split-level layout creates natural separation while still feeling open and inviting. A cozy wood-burning fireplace downstairs adds warmth and charm, perfect for relaxing evenings. and outdoor living blend seamlessly with both upper and lower deck spaces--giving kids room to play and adults space to unwind or entertain. With parks, schools, and recreation fields just a short walk away, busy family life becomes much easier to manage. And as your lifestyle evolves--whether you're entering a new chapter or looking to slow things down--this home adapts right along with you. Come see how this home fits into your lifestyle. (id:6769)
