Wilden

\$1,975,000

Experience refined Okanagan living in this stunning custom walk-out rancher by Fawdry Homes, perfectly positioned to capture sweeping, uninterrupted valley and mountain views. From the moment you arrive, the home feels exceptional—bright, spacious and beautifully crafted. The open-concept main level showcases rich hardwood floors, expansive windows and a striking elongated tiled fireplace. The sophisticated kitchen features ceiling-height wood cabinetry with integrated lighting, an impressive island and a generous walk-in pantry with additional cabinetry and sink. The spacious primary retreat is a peaceful sanctuary overlooking the breathtaking landscape, with a spa-inspired ensuite featuring dual vanities, tiled shower, soaker tub and custom walk-in closet. A convenient laundry room is located off the garage, with a second laundry room on the lower level. Downstairs, an expansive recreation room with fireplace, wet bar and wine fridge creates the perfect setting for entertaining, with two additional bedrooms for family and guests. Step outside to your own private resort, complete with pool and automatic cover, hot tub and gazebo, surrounded by beautifully landscaped, low-maintenance grounds. Finished space beneath the garage adds exceptional versatility. Set within Wilden, renowned for its unrivalled natural parkland and walking paths, while just 15 minutes from Kelowna In...
