

185 Dell Road Rutland British Columbia

Rutland South

\$822,000

This is the one, and no, you don't need to be a farmer to appreciate it (The Farmer in the Dell). This solid family home with income potential offers open-plan living, a generous primary suite with a sitting area, and two more bedrooms upstairs. The basement bachelor-style in-law suite has its own entrance through the workshop, which is ideal for rental income or multi-generational living. Bathrooms have been tastefully updated. Step outside into a lovely private sloping backyard with room to garden, sit, breathe, and of course, enjoy your morning coffee! Here are some more amazing things about this home: RV parking, transit access, and a quiet street location seal the deal. Sometimes the right home just makes sense on every level! (id:6769)
