

**Calhoun New Brunswick**

**\$90,000**

New Brunswick Real Estate Board

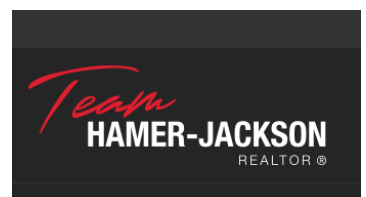

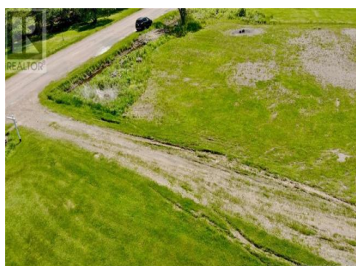

Looking to build outside the city? Check out this 4 acre lot on Calhoun Road. It is mostly cleared and backs into the Highway so you do not have to worry about development behind you. Has 2 driveways, well and septic. The well has not been used for several years. Sellers are not sure of the condition or exact location of septic. (id:6769)
