Welcome to your new home! A beautifully updated home offering privacy, flexibility, and strong income potential in a highly desirable family neighborhood. Set on a flat, fully usable lot, the backyard is a true private oasis with mature landscaping, hot tub, new garden beds, and a thoughtfully designed outdoor living space featuring concrete pavers and a covered gazebo. A large shed/greenhouse and plenty of room for kids and pets complete this exceptional setting. Inside, the home has been tastefully renovated with a bright open-concept layout. The kitchen features a large island with stainless steel appliances and a built-in coffee bar with additional storage. The primary suite offers a spa-inspired ensuite with a glass shower, soaker tub, and a custom walk-in closet with built-ins.
