

1881 Ethel Street Kelowna British Columbia

Kelowna South

\$1,020,000

Discover the allure of this charming character home nestled in the heart of South Kelowna, ideally situated on an MF1 lot, the possibilities here are endless. Meticulously renovated to enhance its original beauty, this home seamlessly blends modern amenities with timeless heritage charm. Step inside to find a kitchen that delights with stainless steel appliances, quartz countertops, ceiling-height cabinets, and bright LED lighting. The main floor flows effortlessly into a cozy living area, ideal for both relaxation and entertaining guests. With a comfortable bedroom the layout is ideal! Upstairs, the top floor features a spacious second bedroom and a loft with a balcony, perfect for a combined office and guest bedroom setup. The basement offers additional space for an office or storage. Outside, the enchanting backyard beckons with a composite deck, stamped concrete patio, and an inviting above-ground pool perfect for cooling off on warm summer days. A putting green adds a touch of elegance, creating a serene oasis for outdoor gatherings. The front yard is a testament to curb appeal, boasting a covered porch leading to a stamped concrete sidewalk. Landscaped to perfection, it includes a well-tended garden and unique touches that set this home apart. A fully fenced front yard ensures privacy and security. Do not miss the opportunity to own this enchanting property where every...
