Sorrento

**\$3,099,000**

1897 Blind Bay Road, truly a home like no other. Situated on over 2 acres with 320 feet of lakeshore on the renowned Shuswap Lake, this custom Timber Kings log home embodies the West Coast chalet-style Canadian log home that many only dream about. The towering full logs in this home must be seen to experience the calming feeling of being surrounded by nature in a comfortable and cozy atmosphere that only log homes offer. Featuring a soaring real stone fireplace on the main level, radiant in-floor heating plus forced air and central air, the home is perfectly climate-controlled. North-facing with the enduring strength of an old-growth forest, it stands unwavering in its stoic, majestic presence. Western exposure captures stunning sunsets over the lake, with views filtering through the trees. With 5 bedrooms, 4 bathrooms, and a detached triple garage, this property has ample space for all the toys needed to enjoy this lifestyle—and plenty of room for friends and family to enjoy it with you. Measurements were taken by Matterport, and due to the unique nature of a log home, they may vary. Additional plans for a 4-bay garage are also available. New Home Warranty commenced in 2018 with the builder, even though BC Assessment shows 2013 as the build date, due to the nature of this type of customised build process. Check out the 3D tour.
