Upper Mission

\$1,074,999

Perched at the edge of Kuipers Peak at South Ridge in the Upper Mission, this corner unit half-duplex has approximately \$50K in upgrades. This was built for people who want to be closer to nature without giving up a single modern convenience. The main level is where the home truly comes alive. High ceilings and natural light pour through generous windows, creating a space that feels both elevated and welcoming. The open kitchen features a large central island with seating for four, two-tone cabinetry, and quartz countertops, flowing seamlessly into the dining and living areas. A gas fireplace anchors the living room, while sliding doors lead to a covered deck with glass railings. The primary suite includes a spa-like ensuite with heated tile floors, a tiled walk-in shower with two shower heads and a built-in bench, plus a walk-in closet. A second bedroom, full bath, butler's pantry with built-in microwave, and laundry complete this level. The lower level offers a bedroom, four-piece bath, dedicated office, and rec room with a wet bar, ideal for guests or a home gym. Walk out to the fully fenced backyard with a covered patio where sunshades keep you comfortable on warm afternoons. A two-car garage provides parking and storage. Located in a new community with quiet, no-through-access streets, you're three minutes from the new Mission Village shopping center, a...
