

Whitehorse Yukon

\$699,900

Fully renovated and backing onto serene green space, this home truly has it all. Open House Nov 27 5-6:30 pm & Nov 29 & 30 1-2:30 pm. It boasts upgraded insulation, triple-pane windows, a newer roof, and an updated electric furnace. Imagine cozying up next to the Blazeking wood stove while enjoying stunning views of Grey Mountain from the large living room window. The kitchen has been updated with a functional island that features spacious drawers, along with a Bosch dishwasher, creating an inviting open-concept main floor. On the same level, you will discover a luxurious bath complete with a glass shower and heated tile. Upstairs, there's a convenient half bath and two generously sized bedrooms. The downstairs area boasts solid oak flooring, a spacious bedroom, a crisp four-piece bath, a cold storage room, and a laundry room. The fully fenced backyard features a wrap-around deck that's wired for a hot tub, perfect for relaxation. A large shed and a wood shed complete the property. (id:6769)
