PERFECT LOCATION. MODERN LIVING. EXCEPTIONAL CONVENIENCE. Enjoy central Kelowna living within walking distance to restaurants, shopping, transit and health services, all while being located directly on a designated bicycle route. Built in 2020, this stylish townhome offers a thoughtful layout with 3 bedrooms, 2.5 bathrooms, convenient upper-level laundry and a versatile main-floor den large enough to accommodate a queen bed. The spacious primary bedroom features a walk-in closet and private ensuite with heated floors. Bright hardwood flooring and abundant natural light create a warm, contemporary feel throughout. The well-appointed kitchen features quartz countertops, quality stainless steel appliances and direct access to the private backyard. Enjoy outdoor living under the covered patio, complete with a natural gas BBQ connection and plenty of space to relax or entertain. Exterior finishes include cultured brick and T&G metal siding, while the impressive 10'7" x 23' garage provides excellent parking, storage and additional usable space. A modern, low-maintenance home in an outstanding central location—close to everything Kelowna has to offer. (id:6769)
