

Whitehorse South Yukon

\$1,087,000

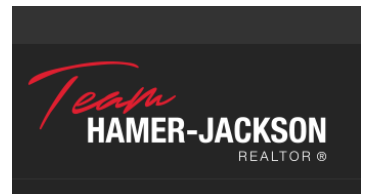

Experience modern, upscale Yukon living on this private 10-acre acreage with peaceful mountain views! Built in 2024, this executive 2-bedroom, 2-bathroom home offers 1,600 sqft of thoughtfully designed open-concept living with 10' ceilings, a wood stove, and premium finishes. Crafted with style and function, the upscale kitchen presents soft-close cabinetry, solid surface countertops, propane range, tiled backsplash, and a handy pot filler. Well-appointed primary suite with double closets and spa-like ensuite with soaker tub, tiled shower, heated floors, and heated towel rack. A comfortable second bedroom, a full secondary bath, and a laundry/mudroom entry from the attached garage, providing mezzanine storage and utility systems room. Outside, enjoy a covered front porch, rear deck off the kitchen, numerous outbuildings and space to roam. Newer septic (2023), 89' well with new pump, metal roof, security system. Bonus, fully equipped detached 28'x38' workshop with separate power. (id:6769)
