

196 Summer Wood Drive Kelowna British Columbia

Wilden

\$1,549,900

This almost new custom home in the prestigious Wilden area is loaded with luxurious finishing's and thoughtful upgrades. The open concept main floor features soaring vaulted ceilings that create a spacious & airy atmosphere, a custom stone fireplace adding warmth and elegance & a chef inspired kitchen complete with Bosch appliances, quartz countertops & a farmhouse sink! The partially covered deck provides an amazing outdoor living experience! It's accessible from both the dining area and living room sliding doors and the automatic shades offer complete privacy & shade or keep them open to enjoy the breathtaking valley & mountain views. The master bedroom is generous in size and includes a spa-like ensuite featuring heated tile floors, a custom tile shower, a soaker tub and access to the walk-in closet with custom shelving. The lower level of the home has a huge rec room that's roughed in for a wet bar (could be suited), 3 bedrooms, a bathroom & over 250 SF of unfinished area. There is also access to the stamped concrete patio and to the backyard with a roughed-in sunken hot tub area. Other notable features of the home include; an ICF construction, motorized window coverings, topless glass deck railings, a dual stage water filtration system plus much more! This desirable neighborhood is known for it's access to nature, with endless hiking & biking trails only steps away. Thi...
