

180 Sheerwater Court 20 Kelowna British Columbia

Glenmore

\$13,450,000

Set within the coveted Sheerwater enclave, Mont des Cieux -- winner of the 2023 Home of the Year from the Okanagan Housing Awards of Excellence -- delivers the pinnacle of lakefront living. This 10,000-square-foot custom-built estate is thoughtfully positioned for maximum privacy and sweeping views across Okanagan Lake. Built predominantly from steel, concrete, and glass, the home carries a refined warmth throughout. A glass elevator links each level with ease. The great room impresses with towering ceilings and floor-to-ceiling glazing, flooding the interior with light and calm. Outside, an infinity-edge pool overlooks the lake, while a hillside lounge beside a tiled pond and waterfall offers a quieter retreat. Advanced mechanical systems, solar power, and a full Crestron automation suite mark this as a standout property in the region. Global craftsmanship abounds: triple-pane windows from Austria, glazing from Germany, millwork from Italy, furnishings from Australia, and gym equipment from Poland. With three primary suites, a state-of-the-art theater, and a 300-plus-bottle wine cellar, Mont des Cieux delivers refined, elevated living. Complete the Okanagan lifestyle with private lakefront access and your own boat slip at the exclusive wharf. (id:6769)
