

200 Feathertop Way Big White British Columbia

Big White

\$389,000

This is the final opportunity to own in The Terraces, one of Big White's most exclusive luxury home communities. Perfectly positioned at the entrance of the development, this prime, serviced lot offers unmatched panoramic views of the Monashee Mountain range and valley, arguably the best outlook in the entire neighbourhood. Ideally situated in front of Sundance, beside Copper Kettle, and just ahead of the Feathertop gate, the location allows for an easy four- to five-minute walk to the village, as well as convenient access to both the Bullet and Black Forest Chairs. The lot is fully serviced and ready for your vision, with no time frame to build, giving you the flexibility to buy and hold for a future opportunity or to bring your own builder and start creating your mountain chalet right away. Build plans are available to match the renderings shown, providing a seamless path from concept to completion. The asking price reflects the lot only, with construction costs additional. This rare offering must be seen to fully appreciate the exceptional views, setting, and lifestyle it affords. Big White Ski Resort is celebrated as one of Canada's premier family-friendly mountain destinations, known for its world-famous "Okanagan Champagne Powder," extensive terrain, and vibrant alpine village. With over 7,000 feet of elevation, 119 designated trails, and a lively year-round events cal...
