

1830 Atkinson Street 201 Penticton British Columbia

Main South

\$429,000

Rarely do you find a townhouse offering nearly 1,500 square feet of single-level living in such a central location, just minutes from shopping and everyday amenities. This substantially renovated home has been thoughtfully updated over the years and features vinyl windows, an open-concept kitchen with newer appliances, and spacious living areas designed for comfort and functionality. Offering two large bedrooms plus a versatile den or office, there is plenty of space for guests, hobbies, or working from home. Both bathrooms feature heated floors, adding a touch of everyday luxury. Step outside onto the large west-facing deck and take in the beautiful mountain views while enjoying the afternoon sun. Located in a well-maintained 55+ complex with low strata fees, this home also allows pets with restrictions. Covered parking and a convenient storage locker complete this exceptional package.
