Looking for a big family home, at an affordable price in a small community? This 2012 built home sits on the edge of Colgate and provides great prairie views. When you step into this home, you immediately appreciate the space this home has to offer with a huge front entry. From there, the floor plan opens up to the living room, dining and kitchen, providing ample living space. Down the hall you'll find a full bath, two large bedrooms, and a master suite with a walk-in closet and a very nice ensuite. The basement is laid out for a large family room area, two more large bedrooms, a bathroom, and plenty of storage.
