

201 Summer Wood Drive Kelowna British Columbia

Wilden

\$1,599,900

Located in the highly desirable community of Wilden, this spacious nearly new home has room for the whole family, plus a legal suite. Surrounded by walking trails and natural beauty, this custom home sets itself apart with incredible design, arched doorways, and special touches throughout. The main home has 4 bedrooms + office, with multiple living & recreation spaces. The main level greets with you a soaring entry way, leading to the spacious office, and on to the great room with vaulted ceilings and a stunning fireplace. Extensive windows and wood beams add light and comfort. The kitchen features gourmet appliances, modern shaker cabinetry, farm sink, large pantry, & built in coffee maker. A charming powder room finishes this main level. Upstairs is the large primary bedroom, with ensuite w/ dual vanities, soaker tub, and luxurious tile shower. Two more bedrooms, full bath, and study nook add flexibility. Downstairs is another bedroom, bathroom, and recreation room for movie night. A separate 1 bed legal suite offers extra income. Your covered patio provides room for the whole family, complete with hot tub. Quality construction by Authentec Homes. No GST! (id:6769)
