

2014 Southview Avenue Kelowna British Columbia

North Glenmore

\$937,000

Offering the perfect blend of space, outdoor connection, and long-term financial potential, this meticulously maintained North Glenmore home has been lovingly held by the same owners for over 20 years. With 5 bedrooms and 3 bathrooms, it's the well-rounded family anchor today's buyers are searching for. The main level features a functional, family-oriented floor plan designed for everyday living and effortless entertaining. The heart of the home flows naturally from the kitchen through the main living area and out to a large deck and fenced backyard via sliding glass doors, ideal for keeping an eye on kids at play or letting pets out with ease. A standout feature is the spacious south-facing primary suite, complete with its own private deck, his-and-hers closets, and a full ensuite bathroom. With five true bedrooms, there is ample space for a growing family, guests, and a dedicated home office. The lower level adds valuable flexibility with a bright 1-bedroom suite featuring a separate entrance and its own private outdoor patio, an ideal mortgage helper or comfortable space for extended family. Complete with a double car garage, additional uncovered parking suitable for a boat or RV, and a quiet, family-oriented setting close to everyday amenities, this home delivers comfort, versatility, and long-term value in the heart of Glenmore.
