Springfield/Spall

\$349,900

This large 1-bedroom, 1-bath condo at Capri Gardens has been fully renovated and is move-in ready. Inside, you'll find new flooring, updated windows, fresh paint, and beautifully upgraded kitchen and bathroom. The open layout feels bright and spacious, with a cozy sunroom that gets warm western exposure. There's plenty of character here too--like exposed brick in the dining area and a generous pantry/storage space off the kitchen. The building is quiet and solid concrete, so you'll enjoy extra peace and privacy. Bonus amenities include a resident lounge and a hot tub for relaxing at the end of the day. All this in a super central location, just steps to Capri Mall, parks, and public transit. A great option for anyone looking for a stylish, low-maintenance home in the heart of Kelowna. (id:6769)
