

Whitehorse Yukon

\$599,000

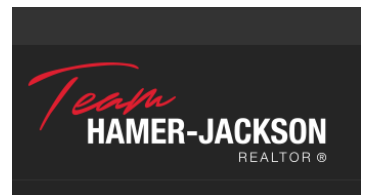

203-210 Hawkins St is a 2 bedroom, 2 full bathroom 1269sqft apartment in the heart of downtown Whitehorse. The open concept living area is full of natural light and offers a treehouse feel with several windows overlooking the neighbouring trees. The kitchen is beautifully designed with quartz countertops, abundant cupboard space, and energy efficient stainless steel appliances. An extra wide hallway leads to the full bathroom, laundry area and both bedrooms. The primary bedroom holds an ensuite bathroom with tiled shower, extra large closet, and a nook full of possibilities. There is a private covered deck, powered covered parking, and keyfob entry. This unit will appeal professionals looking to be in the heart of downtown or those looking to downsize. Don't miss your opportunity to own in this one of a kind building - call today for information package and to schedule your private showing. (id:6769)
