Dreaming of a spacious four-bedroom family home with an in-law suite, all within a stone's throw of the vibrant community park? The builder was Rykon Homes. The kitchen has ample cabinetry, a central island perfect for gatherings, sleek quartz countertops, a side-by-side built-in fridge/freezer, and plenty of room for a large dining table where family meals will be shared and memories made. The living room can accommodate a large sectional for cozy movie nights. The deck has 2 BBQ outlets with plenty of space to chill. A convenient office (or seventh bedroom!), a spacious mudroom with custom built-in cabinetry, and a laundry room with a front-load washer and dryer. The home's upper level is designed with family in mind, 4 well-sized bedrooms, including an impressive master suite. The lower level is a true bonus, offering a bright and spacious two-bedroom in-law suite. The kitchen, featuring custom handmade cabinetry with soft-close hinges, stainless steel appliances, and plenty of natural light, makes this a comfortable and self-contained space.
