

2060 Bennett Road Kelowna British Columbia

McKinley Landing

\$2,243,000

Welcome to 2060 Bennett Road. This breathtaking 6-bedroom (plus den) McKinley home offers the perfect blend of modern comfort, abundant space and stunning natural surroundings. Situated on a private 0.5-acre lot, this property showcases immaculate lake views and exceptional outdoor areas designed for luxury living. The home features contemporary updates throughout, creating a bright and welcoming atmosphere for functional family living and impressive overall design. Generous living spaces provide flexibility for growing families, while the well-appointed bedrooms offer comfort and privacy for residents. With three floors of exceptional living space, you will particularly note the expansive primary bedroom with private second floor deck plus grand walk-in closet and luxurious en-suite bathroom. Stepping out to the yard you're met with a picturesque waterfall feature, fruit trees, and the sparkling in-ground pool making it easy to soak up the lake views, impress guests, or simply unwind. The beautifully manicured grounds reflect pride of ownership and provide a picturesque backdrop. Additionally, there is excellent suite potential downstairs with extra laundry (and a space to add a separate entrance). Practical features are equally impressive, with 2 sets of washer/dryers, a 2-car garage with bonus quarters above plus an additional parking pad for boats etc. directly off of Be...
