Dilworth Mountain

\$1,980,000

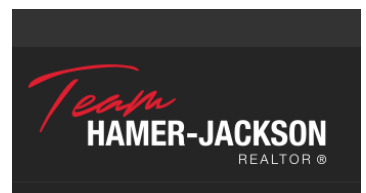

Modern European Luxury Redefined on Dilworth Mountain. This stunning home has been completely reimagined from top to bottom -every surface, finish, and fixture has been beautifully renewed. Wide-plank flooring, designer lighting, and a sleek custom kitchen with quartz counters and high-end appliances set the tone. The open-concept design features architectural beams and elegant details that bring warmth and sophistication. The main-floor primary suite is a serene retreat, while the lofted upper level-with its charming sloped ceilings -offers two spacious bedrooms and a flexible lounge area perfect for games, a gym, or guests. Downstairs is ready to be finished into an incredible media room. Set on a private lot surrounded by mature trees, this home is a masterclass in modern European style blended perfectly with Okanagan comfort. (id:6769)
