Dilworth Mountain

\$1,795,000

Modern European inspired design meets Okanagan comfort in this completely reimagined Dilworth Mountain home. Over the last couple of years, every surface, finish, & fixture was meticulously selected and renewed, creating a home where custom details reveal themselves at every turn. Wide-plank white oak engineered hardwood flows throughout, vaulted ceilings soar above structural wood beams, & upgraded Lutron lighting highlights the thoughtful touches that make this property feel like a work of art. The main level flows seamlessly, anchored by a chef's kitchen with a 10-foot peninsula offering seating for four, bright white Shaker cabinetry, Cafe & KitchenAid appliances, a unique laundry room with checkerboard tile, coffee bar with beverage fridge, and custom storage. The living room features a floor-to-ceiling tiled gas fireplace and built-in TV display, while the primary suite offers backyard views, a walk-in closet with custom built-ins, and a 5-piece ensuite with dual vanities and soaking tub. An office with designer wallpaper and 2-piece powder room complete this floor. Upstairs, the lofted family room floats above the main level with dramatic vaulted ceilings, wraparound windows framing peek-a-boo lake views, and doors opening to a private deck. Two bedrooms and a bonus den with abundant natural light round out this level. The lower level offers a spacious recreation room...
