West Kelowna Estates

\$1,025,000

Privacy. Function. Income potential. Hobbyist dream at an unbeatable price. All in one of West Kelowna's most established neighbourhoods. Welcome to this beautifully updated rancher with a walk-out basement in West Kelowna Estates -- where quiet streets meet unbeatable convenience. Just minutes to schools, park and trails. The main living area showcases a bright, airy open floor plan and a stylishly updated kitchen designed for gathering. Main level living offers: 3 bedrooms plus a den, laundry, upper deck and garage access. Step onto the elevated deck to overlook your expansive, pool-sized yard -- private, and backing onto no direct neighbours. New stairs provide seamless access to the yard, complete with irrigation, a fire pit, space for pool and hot tub. Downstairs offers flexibility with a newly finished recreation room, bedroom and bathroom. A separate self-contained 1-bedroom suite is perfect for an extended family or a mortgage helper income. For the outdoor enthusiast, the property truly shines: 200 AMP service, a detached workshop with rare road access to the rear yard, RV and toy parking. For the gardener, newly raised garden beds are included. Major updates: Roof (2024), H/W on demand (2020), Furnace (2020), AC (2020), Kitchen and appliances (2019), PEX plumbing, Irrigation (2021), Security system, Fresh paint, New carpets and Deck stairs, plus 50K in retaining w...
